

Dr. Pepper Cake

Dr. Pepper Cake

Ingredients:

1 box yellow cake mix
1 box instant vanilla pudding
4 eggs
3/4 cup oil
1 10 oz. can of Dr. Pepper
3/4 cups walnuts (Chopped)
Glaze: 1 cup powdered sugar and 1 tsp vanilla
and enough Dr. pepper to make a thin glaze.

Directions:

Turn oven to 350 degrees.

Grease a bundt pan.

Mix all ingredients together and pour into bundt pan.

Bake for one hour.

After cake cools , pour glaze over the top. Cut and serve.

I made this cake for my hubby and it was pretty good but do not expect it to look like the picture! For one it didn't look like chocolate cake nor did the glaze look like frosting! If you want it to look like the photo I suggest using a chocolate cake mix and just buy a can of chocolate frosting.
